Step-by-Step User Guide and Order Form

Why choose Universal Arches?

We manufacture shaped uPVC door and window frames in a wide range of colours and finishes. All frames are made to bespoke dimensions in the following shapes:

- Angled or Gable Ends
- Circular Windows
- D Frames
- Arched or Frames with a Swept Head
- Gothic Shaped Frames
- Shaped Sliding Sash Windows
- Doors with shaped frame
- Bespoke one-off designs

In addition we offer:

- 5-7 working day turnaround
- Fully welded, high quality finish
- CAD Drawings
- ISO 9001:2015
- Shaped glass or glass templates
- Free collection and delivery within a 50 mile radius of St Helens
- R9 Arches and Angles
- Composite Arched and Angled Door Frames
- Choice of in-house profiles

Specifications

- White frames are grooved as standard (some welds may need to be polished for aesthetic reasons).
- Woodgrain frames are knifed as standard.
- White frame welds can be polished on request.
- We will reinforce any straight portions of the frame where specified on the order form with ®.
- All frames are fully welded unless a mechanical joint is necessary.
- We can bend all profile systems.
- All arched and angled sections of the frame are fully beaded as standard.
- Glass templates or glass CAD drawings in PDF format are available when specified on the order form. However, these must be checked by the customer before ordering the glass.
- Fully fabricated frames available.
- We may require a template for any non true radius frame.
- Some frames may be subject to size restrictions due to the tightness of the radius or the extreme size of the arch. If you require further advice, please fax or email your design through and one of our technical support staff will contact you as soon as possible. Alternatively upload your design to www.universalarches.com.
- Consignment stock - We can hold a regulated consignment stock of your profiles.

In-house profile

- For a quote on a fully fabricated frame please email sales@universalarches.com for a prompt price.
 - All colour Foiled and Foiled on White profiles available.
- 
- The bottom of the page features a decorative graphic consisting of two overlapping, semi-transparent arches. The upper arch is a light grey color, and the lower arch is a light pink color. Both arches are centered horizontally and extend across the width of the page.

Delivery

We offer a free collection and delivery service twice a week to the areas indicated below. To avoid multiple handling of frames which can occur with external couriers, all our deliveries outside of this area are made by a dedicated transport company. Our carriage costs are based on weight, size and location - ensuring your frame price remains competitive. Your frames will always be securely and carefully packaged for transportation.
